## What's Inside

**John from 'It's from the Sole', USA, Helps Find the Perfect Shoes for a 12-Year-Old Girl in Andhra Pradesh, India**

In this picture, John from 'It's from the Sole', USA, shares a moment of joy with a 12-year-old girl from Andhra Pradesh. Thanks to John's thoughtful gesture, the girl received shoes that fit perfectly, improving her daily comfort and well-being. This act of kindness exemplifies the global support that Padala Charitable Trust receives, allowing us to impact the lives of children in need positively. In FY 2023-24, our initiatives like Program Vaaradhi, Swechha for Girls, Sethu, Swechha for Little Birds, and Unnathi Scholarships have reached thousands of children, providing essential education, health awareness, career planning, and scholarships. We are grateful for the support that makes these efforts possible. Please continue reading to learn more about our impactful programs and plans.

## Program Vaaradhi

**360° CARE FOR SINGLE PARENT AND NO PARENT CHILDREN**

Program Vaaradhi empowers orphaned and semi-orphaned children in rural and urban government schools. We provide comprehensive 360° care to ensure they complete their education, addressing not just their academic needs but also their emotional and physical well-being. We are committed to being their champions, advocates, and family, supporting them through every challenge and triumph.

KEY EVENTS THIS YEAR 2023-24

### Vaaradhi Girl Children - Summer Camp

The Vaaradhi Summer Camp, hosted at Maharshi Sambamurthy School, Kakinada from May 1st to May 11th, provided an exceptional opportunity for our young participants, with 90 children and 20 parents joining in. Packed with diverse activities like field trips, dance, singing, computer literacy, crafts, tailoring, and movie screenings, the camp fostered inclusive growth and learning. Additionally, interactive sessions with professionals, a free eye camp, and medical follow-ups ensured their well-being. Through competitions, workshops, magic shows, and science experiments, the children explored their creativity and honed various skills, experiencing a journey of self-discovery and camaraderie. The camp not only brought smiles but also instilled confidence and determination, nurturing talents and creating lasting memories for a brighter future.

### Vaaradhi Daily Wear Distribution

This year, 391 students from 42 schools received clothing before Diwali, ensuring they could celebrate the festival joyfully. Additionally, the Program conducted adolescent health education classes and addressed the specific challenges faced by the students. Notably, a 10th-grade student named Prasanna from a government girls' high school in Jaggampet qualified for the national judo competition, showcasing the Program's positive impact on individual achievements.

## Program Swechha

### REPRODUCTIVE HEALTH AWARENESS

The Swechha Team at Padala Charitable Trust is dedicated to improving the lives of adolescent girls in rural areas by addressing crucial issues like menstrual hygiene, child sexual abuse, and emotional well-being. Through its Women's Program, Swechha raises awareness via campaigns and workshops, educates on reproductive health and gender equality, and supports self-employment by offering training and resources. By promoting gender equity and empowering women with essential knowledge, Swechha creates a foundation for a healthier and more equitable future.

### Celebrating Menstrual Hygiene Day

In celebration of World Menstrual Hygiene Day, we organized a Menstrual Hygiene Awareness session for 40 women from our village cluster development group. These women are also receiving vocational tailoring training with the support of PCT. The session took place in the villages of **AK Mallavaram and Ravikampadu**, where we emphasized the importance of menstrual hygiene and provided valuable insights to improve women's health and well-being.

### Swechha(Girls) Sponsored By SVCT & Reliance Foundation

As a part of a long-term collaboration with **SVCT**, a grassroots-level NGO from northern Andhra Pradesh, we conducted Menstrual Hygiene Education & Adolescent Health Education classes for the girl students of 14 residential schools. In another collaborative event with our long-term associate, **Reliance Foundation**, we conducted a mega Swechha event for 200+ female students from the 4 schools of the Gadimoga region. A Total of 18 Schools with 1400+ students have been empowered under this project.

### SOE (School Of Excellence)

FOR THE WHOLESOME DEVELOPMENT OF STUDENTS

The School of Excellence (SOE) Program at PCT is a comprehensive initiative integrating SET (Life Skills), Sethu (Career Counseling), and Swechha (Adolescent Health Education) to empower young learners with essential life skills, career guidance, adolescent health awareness, and social-emotional learning. Alongside, SOE offers enriching activities like book clubs and speaker's clubs, enhancing the holistic learning experience. Named aptly, SOE aims to transcend conventional excellence metrics, prioritizing intangible elements vital for student development such as mental health, awareness, and life skills. This Program complements the existing curriculum, fostering a truly excellent educational journey that nurtures well-rounded individuals.

#### Adolescent Health Education

PCT has been actively collaborating with schools, governments, and organizations for several years to address the issue of Child Sexual Abuse (CSA) and break the silence surrounding it. Initially focused on adolescents aged 13 to 18, the awareness campaign has expanded to include younger children to protect them from potential perpetrators. Swechha For Little Birds is one such initiative aimed at imparting knowledge about safe touch versus unsafe touch, exploitation, and the POCSO act to children at an early age. By conducting classroom awareness sessions in government primary and upper primary schools, we target students between 8 to 12 years old (Grade 3 to Grade 7). The Program was inaugurated by the honorable District Collectors of Kakinada and Rajahmundry, who commended the team for their valuable initiative.

## SFLB Launch discussion with West Godavari Collector Shri. Sumit Kumar IAS

On March 13th, 2023, Padala Charitable engaged in a productive discussion with the West Godavari District Collector at his office in Bhimavaram. The focus of the discussion was the potential implementation of the Swechha for Little Birds (SFLB) Program in the district. Collector Shri. Sumit expressed enthusiasm about PCT's involvement in the district and was pleased with the progress of the discussion regarding the SFLB Program launch. He also took the initiative to brief the District Education Officer (DEO) about the project, ensuring comprehensive understanding and support. As a result of the fruitful discussion, PCT is preparing to launch the SFLB Program in the West Godavari district during the upcoming academic year.

## Child safety week -14th nov-20th nov 2023

During Child Safety Week, Padala Charitable Trust (PCT) observed the theme **"It's OK to say no"** from Nov 14 to 20, 2023. PCT organized engaging activities, including **"Let's Art Play the Art"** (a Poster Painting Competition) encouraging creativity. **"Engage with Adults"** (Discussion Sessions) emphasized teaching children the importance of saying no. **A skit "Act it Out"** (Skit on Saying NO) portrayed the concept of **refusing in unsafe situations**, and educational sessions focused on **personal safety**. These activities aimed to empower children and adults with the understanding that saying no is acceptable when needed. ### Unnathi Scholarships

#### ENCOURAGING BRILLIANCE AMONG THE UNDERPRIVILEGED

Program Unnathi can be called one of the most unique scholarship projects in the country. It is a transformative scholarship Program by PCT that goes beyond academic fees to support underprivileged students holistically. Through personalized assessments and home visits, the Program identifies students' comprehensive needs and provides qualitative support such as counseling, career guidance, safe housing, and emotional assistance. By addressing these end-to-end requirements, Program Unnathi aims to empower deserving students and enable them to overcome obstacles in their educational journey. Program Unnathi differs from PCT's initial scholarship Program and other scholarship Programs by offering holistic support beyond academic fees.

**Financial Assistance**  
Complete financial assistance to cover educational expenses

**Safe Housing**  
Understanding the needs of the students with empathy

**Career Guidance**  
Harnessing the power of career info for better employability

## A Comprehensive & Unique Scholarship Program

**Mentoring**  
Helping the students navigate through the complexities of life

Program Unnathi is a captivating story of change, standing out among other scholarship Programs. It dives deep into the lives of underprivileged students, uncovering their unique needs and providing a transformative journey filled with counseling, guidance, safe housing, and emotional support.

## Program

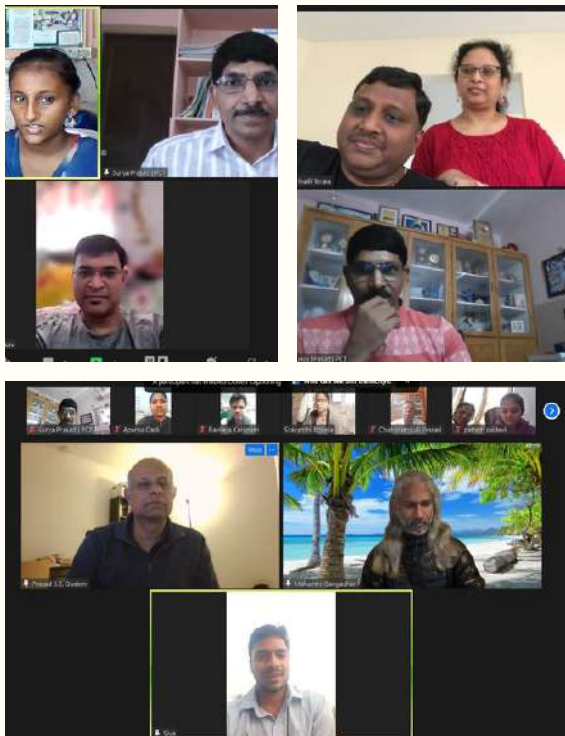

### **Unnathi Scholarship Event:**

The Project Unnathi Scholarships Meet held at Gandhi Bhavan, Kakinada on 25th June 2023, was an enriching and enlightening experience for all the participants. With a total of 30 students and 10 parents in attendance, the event aimed to provide valuable career insights and guidance to our scholarship recipients. The day commenced with an engaging awareness session on "21st-century skills" or the **4C's (Critical thinking, Creativity, Collaboration, and Communication)** in the context of **artificial intelligence** replacing certain jobs. This session opened the students' minds to the changing landscape of the job market and the skills required to thrive in the future.

### **Donar Interactions:**

Padala Charitable Trust (PCT) runs Project Unnathi, a unique scholarship initiative that provides comprehensive support to meritorious yet underprivileged students. Going beyond just financial assistance, the Program includes personalized assessments, counseling, and career guidance, setting it apart from traditional scholarship Programs. PCT emphasizes transparency by organizing **donor meetings** with the students benefiting from their support. Notable contributors, including **APPS, EFC, Tech Vedika**, and individual donors, actively participated in these sessions. Six donors and sixty students under the Unnathi project took part, fostering a direct connection between the supporters and the beneficiaries. This approach builds trust and ensures a transparent, holistic support system for the students striving for a better future.

# Recognition & Awards

IN THE FY 2023-24

We are thrilled to announce that **Padala Charitable Trust** has been awarded the prestigious **Great Place to Work** certification for the year 2023-24! This remarkable achievement comes in the category of Non-Profits with fewer than 50 employees, a testament to our commitment to creating a positive and inspiring work environment for our dedicated team. At Padala Charitable Trust, we believe that a strong and supportive workplace culture leads to impactful results in our mission to make a difference in the community. This certification is a reflection of the hard work and passion that each member of our team brings to the table, as we continue to empower lives and uplift the society we serve. We extend our heartfelt gratitude to all our team members, volunteers, and supporters who have been an integral part of our journey towards excellence. Join us in celebrating this significant milestone and our unwavering dedication to making the world a better place for all!

# Meetings this year

IN THE FY 2023-24

## Founder's interaction with HMTV

Our founder and CEO Surya Prasad Padala had an opportunity to interact with HMTV. The interaction was recorded as an interview and was uploaded to YouTube. During the interaction, Surya Prasad shared PCT's journey, our vision and the initiatives that PCT is currently working on. You may please watch the interview here.

## Meeting with the Commissioner of School Education, AP

Padala Charitable Trust (PCT) maintains strong partnerships with government schools in the Telugu states, ensuring seamless access for our impactful work. In a recent meeting, PCT's CEO secured official access to these schools through the Commissioner of School Education Andhra Pradesh, Mr. Suresh Kumar, IAS.

## A visit to Amar Raja Skill Development Centre (ARSDC), Chittoor

PCT's career counseling Program, Sethu, is dedicated to providing valuable guidance to rural students. PCT's Sethu team visited the Amar Raja Skill Development Centre (ARSDC) to explore potential collaborations. ARSDC offers free training and guaranteed employment to rural youth, making it an ideal partner for referring eligible students.

## Attending the Tally inauguration Program me at Government Polytechnic

Thanks to the expertise of social sector professionals and generous donors, PCT has rejuvenated the Department of Commercial and Computer Practice at Government Polytechnic. This renewal included providing resources like typewriters and desktop computers. The department has initiated a Tally Software course for students.

## Interaction with Dr. Vijaya Lakshmi, Gynaecologist

Padala Charitable Trust (PCT) maintains good relations with physicians and medical experts and seeks guidance from them regularly to help our children and women in a better way. As a part of this, our Swechha team interacted with Dr. Vijaya Lakshmi on 26th November, 2023 and got to clear many doubts regarding Female Reproductive health.

# Meetings **this year**

## Building the capacities of other NGOs

PCT contributes to NGO capacity building through training sessions on Adolescent Health Education and Women's Reproductive Health. In the recent quarter, we conducted a two-day Program covering critical topics such as Menstruation, Child Marriages, Child Sexual Abuse, and Women's Health. On May 25th and 26th, 2023, we trained six resource persons from SVCT (Srikakulam), PMR Trust (Telangana) and Bhavishyath (Chittoor) NGOs. This collaboration enhances knowledge dissemination, enabling more organizations to positively impact community well-being.

## Building our own capacity

PCT's team has been committed to enhancing our capabilities and skills for improved service delivery. We actively participated in several training Program s:

- 1) Personal Finance and Financial Literacy by renowned banker and finance columnist, Vanga Rajendra Prasad.
- 2) Child Sexual Abuse Prevention and Intervention Workshop conducted by Arpan, India's leading NGO on CSA.
- 3) Participatory Research In Asia (PRIA)'s CAPSTONE Program on participatory planning, monitoring, and evaluation.

## Onboarding 2 new female Trustees

Meet Our New Trustees! We're thrilled to introduce the latest additions to the Padala Charitable Trust Trustees team, **I. Sri Mahalakshmi & Sagi Prabha**. Mahalakshmi, an education enthusiast and founder of Sri Sadhguru Fine Arts, is deeply committed to nurturing creativity and education. Meanwhile, Prabha, an experienced agriculturalist with a background in human genetics and psychology, is dedicated to serving special children and family counseling. Both bring a wealth of expertise and passion for children's welfare, making them invaluable additions to our team.

## Kriya 2023

PCT conducted an awareness camp at JNTU Kakinada, to raise awareness about menstrual hygiene, child sexual abuse for a huge crowd of parents, children, social workers and educationists. The huge crowd is a part of Kriya state level children's festival on November 25th and 26th, 2023. In total, a total of nearly 5000 visitors became aware of various crucial things.

## PCT's SDG Alignment

IN THE FY 2023-24

***PCT's projects are aligned with the Sustainable Development Goals (SDGs) 1 to 5, and we are making significant progress towards achieving them.***

**SDG 1: No Poverty** – Through projects like Programm Unnathi and Program Vaaradhi we provide comprehensive support to underprivileged students, addressing their financial barriers to education and breaking the cycle of poverty. Many of the students taken under these 2 programs finish their higher education, attain employment, and break the cycle of generational poverty in their families.

**SDG 2: Zero Hunger** – Program Vaaradhi plays a vital role in reducing hunger by providing groceries to needy orphan and semi-orphan student families and nutritious snacks to all students, ensuring their well-being and access to nutritious food. Our Village cluster development projects empower women through employment and skill training thereby, reducing hunger.

**SDG 3: Good Health and Well-being** – Program SOE, Swechha Program and Program Swechha for Little Birds promote awareness of menstrual hygiene, reproductive health, and child sexual abuse, improving the health and well-being of women and children. Program Vaaradhi personally takes care of each student's health through regular follow-up and care.

**SDG 4: Quality Education** – Program SOE, Program Unnathi, Program VIP, and, Program Vaaradhi improve access to quality education for rural students, providing personalized career counseling and support to empower them academically and personally.

**SDG 5: Gender Equality** – 80% of our beneficiaries in all our projects are women & girls. All our programs actively promote gender equality, empowering women and girls through education, awareness, and economic opportunities.

Through these aligned projects, PCT is making a positive impact on the SDGs, fostering sustainable development, and creating a better future for individuals and communities.
